HARNESSING THE elegance and craftsmanship of the Taj Mahal, the new additions to the Brabbu AGRA family are a celebration in marble. The delicate work of the robust white stone softens the imposing structure of the pieces, while touches of brass reflect warm tones to the polished surface. www.brabbu.com

INSPIRED BY the *joie de vivre* of the French Regency style, the Antibes mantel by Suzanne Tucker for Chesneys is at once romantic and restrained. This classically proportioned and elegantly detailed mantel combines restrained lines and proportions to make it suitable for numerous applications lending itself to a wide variety of materials and decorating styles.

ARTIST, BEN MOSLEY, has taken two Doll chairs from the latest Novamobili collection and transformed them into unique artworks. Taking inspiration from British and Italian landmarks, Mosley captures the two nations' vibrant creativity and design excellence, and encapsulates them on the artisanal craftsmanship of Novamobili's quality furniture. www.novamobili.it
