

FILIGRANA from **Suzanne Tucker Home** is inspired by the Alhambra palace in Granada, Spain. This two-tone linen print is given extra dimension by the embroidery that outlines and embellishes this exotic pattern. www.suzannetuckerhome.com

BEAUTIFUL hand-embroidered Couture Cushions from **Beaumont & Fletcher** elegantly arranged on a sofa, or displayed extravagantly, by the armful, on a bed, add glamour to a room. Exquisitely worked, some are appliquéd in hand painted silk, some are embroidered with silver and gold thread and fresh-water pearls, others embellished with semi-precious stones. *T: +44 (0)207 352 5594* www.beaumontandfletcher.com

FOLK, from **Mark Alexander** is a contemporary expression of an eclectic and diverse range of designs that aspire to capture the authentic spirit of art that make a culture distinctive. Shown is Dharma, a screen printed linen inspired by traditional Kashmiri paisley and Jepara, a pocket weave cloth resembling the handcrafted Batik method. www.markalexander.com

INTERIOR decorator and fabric specialists Violet & George was set up in 2009 by Nicky Mudie, driven by what she saw as a lack of originality and creativity in soft furnishings. The company's style brims with English eccentricity and yet embraces a modern mix with catwalk fashion. www.violetandgeorge.com
