MICHAEL TAYLOR DESIGNS

In February, Michael Taylor Designs hosted an event with *Luxe Interiors + Design* in honor of its new line of outdoor furniture, designed by the talented Suzanne Tucker. The night was full of great spirits, top local design talent, amazing Sherri's Champagne—served by founder Sherri Corker—and fabulous wine provided by Beyond the Bottles' Matt Walrath, as well as incredible appetizers from Skool. Thank you to Lee Pierce for opening up the gorgeous Michael Taylor Designs showroom for all of us to enjoy!
