TOUCHED BY TUCKER

The Dallas interior design community flocked to Allan Knight and Associates to see the newest textiles from Suzanne Tucker Home and to meet the designer herself. Guests enjoyed a delicious lunch by Doug Brown while perusing the Caravan collection. From luxurious damasks and jacquards to crisp cottons and linens and fluid silks and sheers, all begging to be touched and stroked, you could say that Tucker's new offerings definitely deserve a hand! —Connie Dufner
