

November to Remember

THIS MONTH BOASTS A FULL SLATE OF NEW AND NOTABLES TO BE THANKFUL FOR. BY ERIN KAIN

Interior spaces just got a lot more chic, thanks to Suzanne Tucker's assorted 2022 textiles collection. The design maven's decidedly decadent line includes prints like Cachepot, a medium-scaled floral linen; Labyrinth, handselected multicolor yarns woven to suit myriad upholstery applications; Victoria, a geometric *epingle*; and Josephine, a lightweight open-weave sheer. suzannetuckerhome.com

From top: The Victoria pattern in wheat; Labyrinth is available in multiple colorways; add a delicate pop of pink with Cachepot.
